

Hug Me Envelope

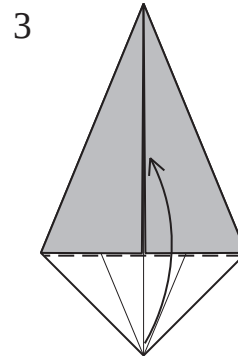

By Jeremy Shafer ©2000

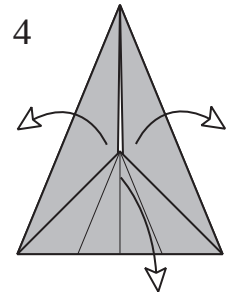

Begin white side up. Valley-fold and unfold a kite base.

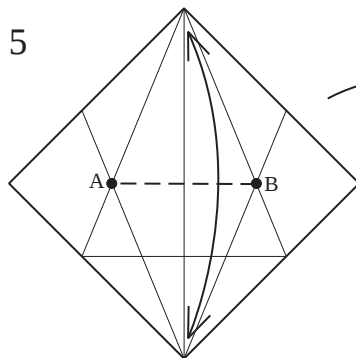

Valley-fold a kite base in the other direction.

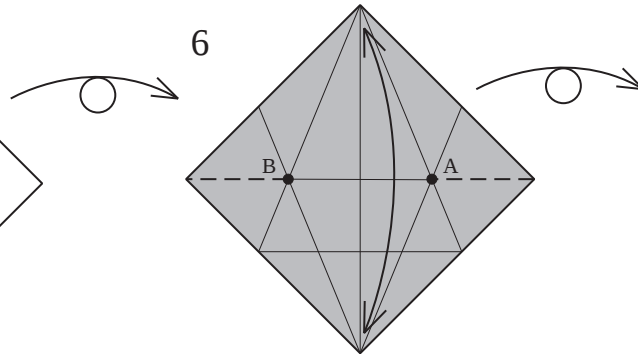

Valley-fold.

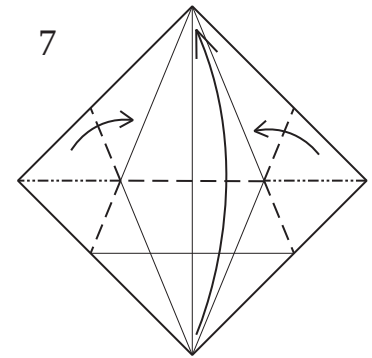

Completely unfold.

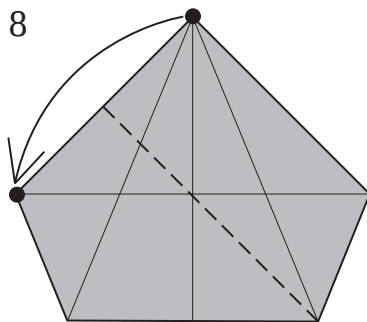

Valley-fold and unfold the paper diagonally in half, creasing only between A and B. **Turn over.**

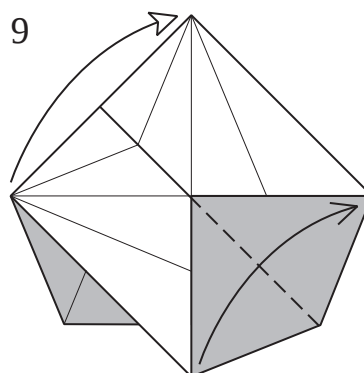

Valley-fold and unfold the paper again, this time creasing to the right of A and to the left of B. **Turn over.**

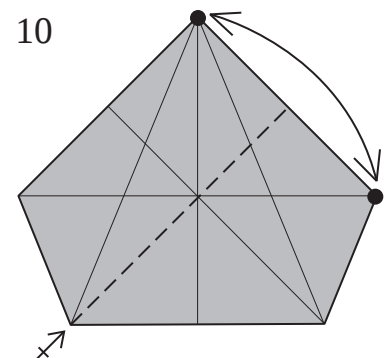

Using existing creases, fold the side corners in as you bring the bottom up.

Valley-fold the top layer...

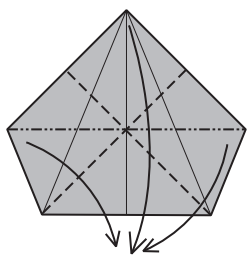

...and fold it back.

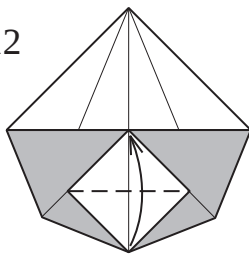

Repeat steps 8-9 on the other side.

The Hug Me Envelope is finished. Open the envelope
flap to find that our scary-looking creature is really not
so scary afterall.

Hug me!!!
