Make 8 units D, A and B and make 4 units C

Join 4 units of each type to a ring

Start with disc D and slide it in the edge pocket of one ring A

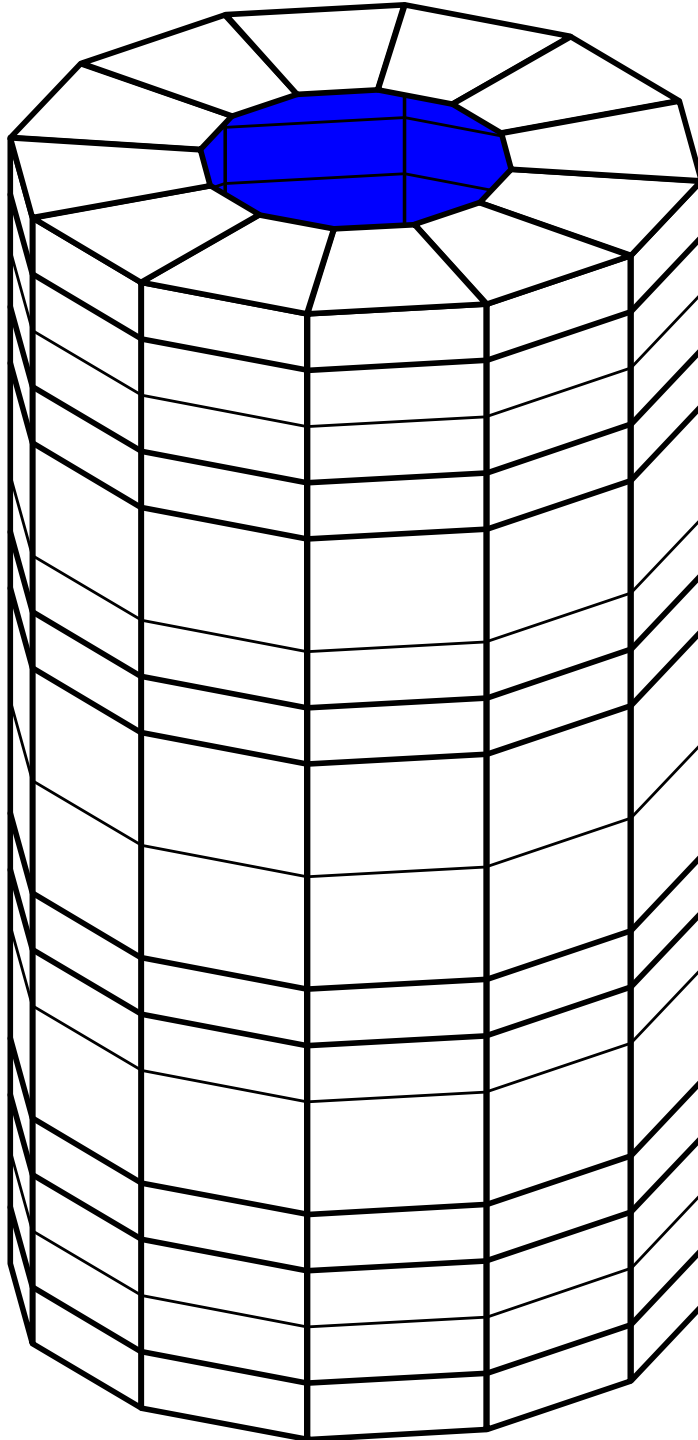

Slide the 'sharp' edge of ring B in ring A

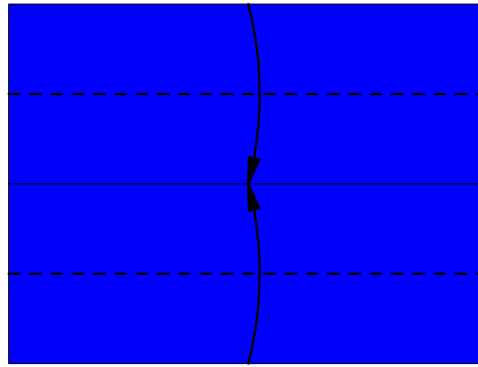

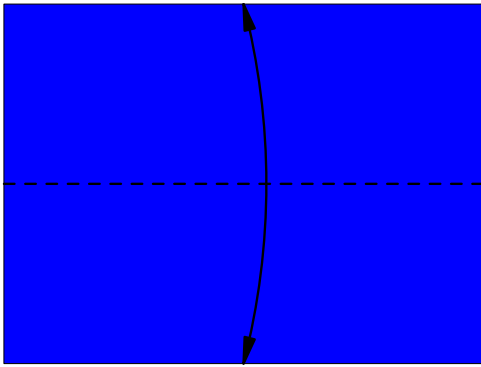

Slide ring C in ring B

Slide ring B over ring C

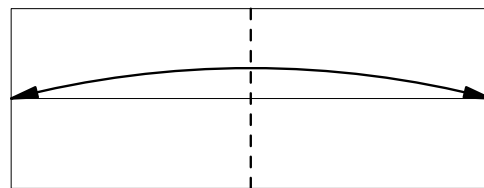

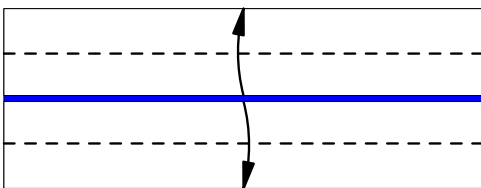

Slide ring A over ring B

Put disc D on top by sliding the edge in the pocket of ring A

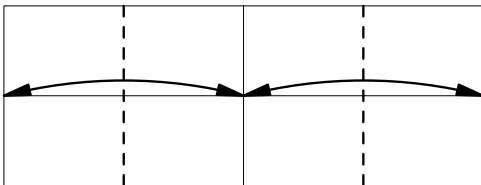

1 Start with A5 or A4 paper (letter will also do)

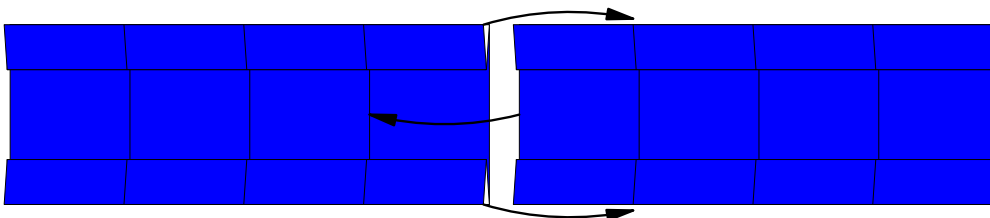

3
