

# Playing the cards

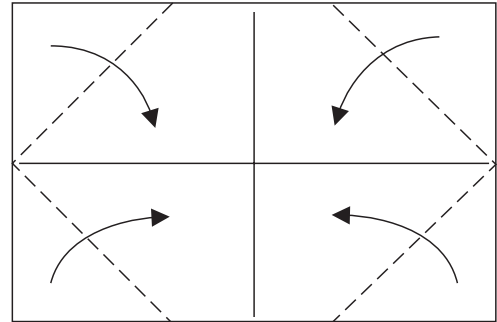

by Eugeny Fridrikh

1.

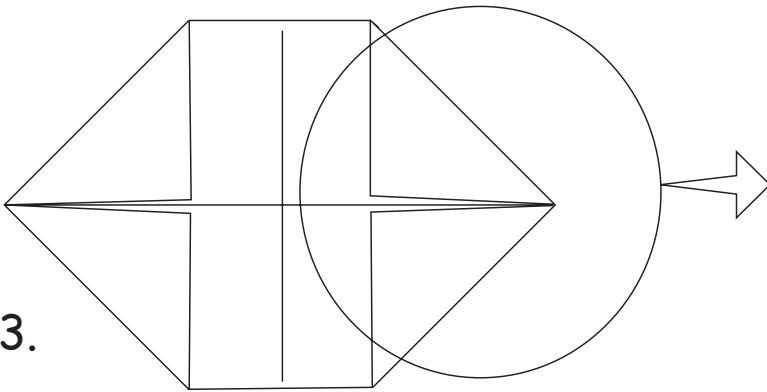

Start with 1:1.5 rectangular sheet of paper,  
make two half folds

2.

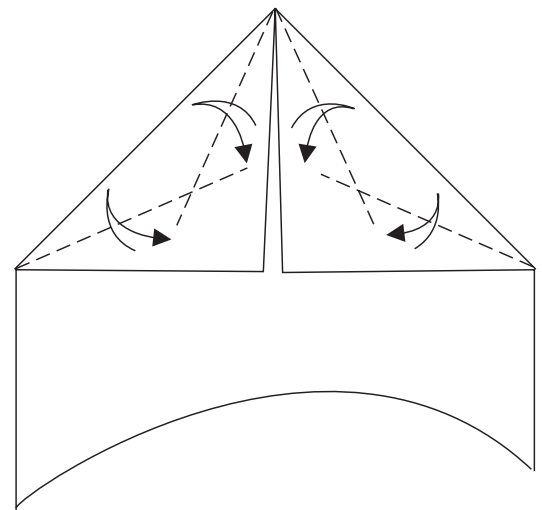

Fold the corners to the middle line made before

3.

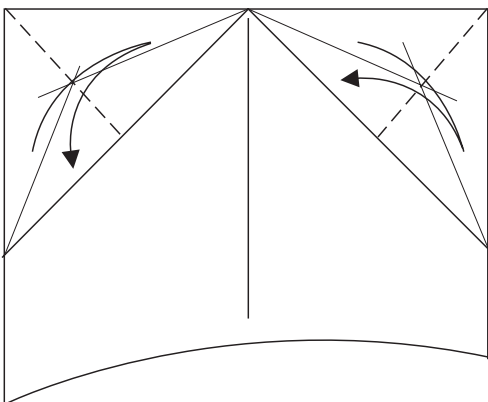

See the result and look on the right side

4.

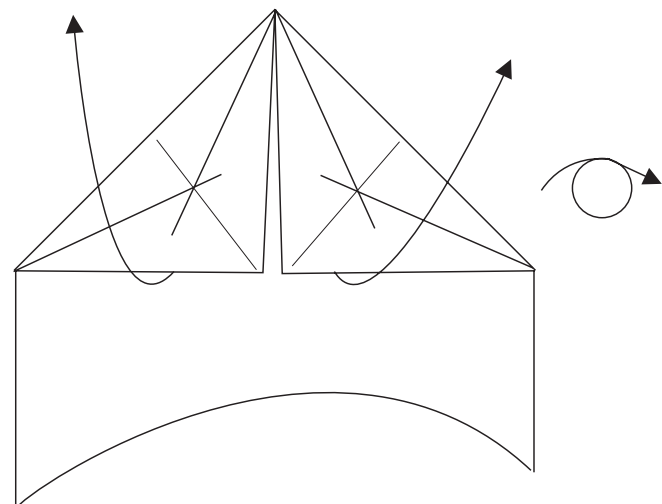

Enlarged view of right side.  
Precrease the diagonal valleys on the both triangles

5.

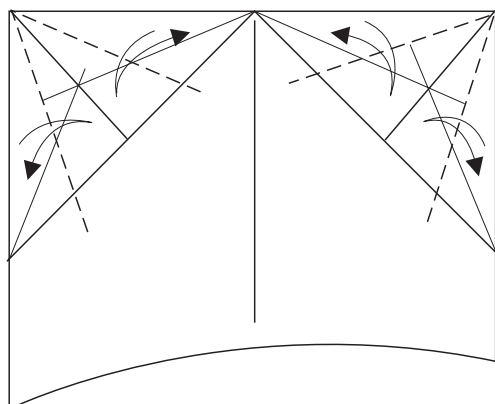

Make two valleys more

6.

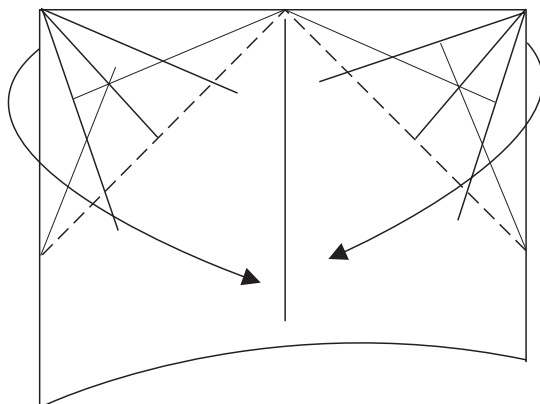

Unfold the corners upwards

7.

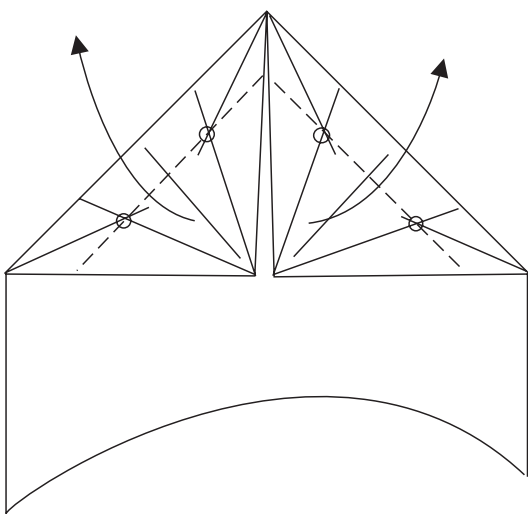

Precrease the valley-folds,  
dividing each corner in 4 parts

8.

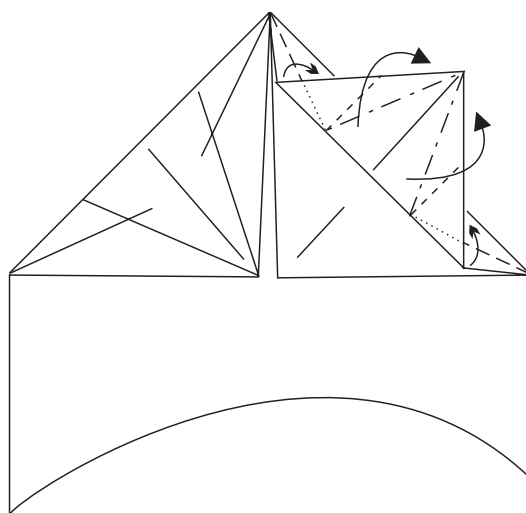

Make the airplane fold

9.

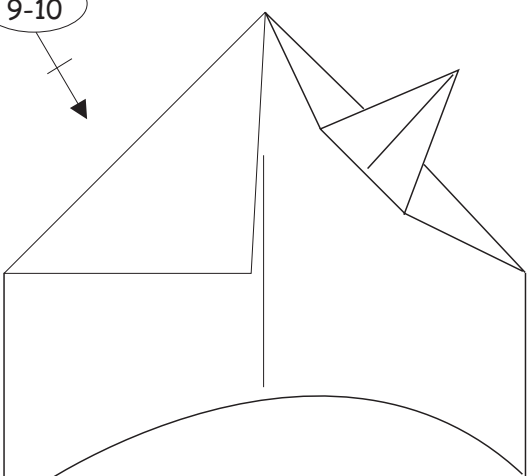

Valley-folds until the marked  
points

10.

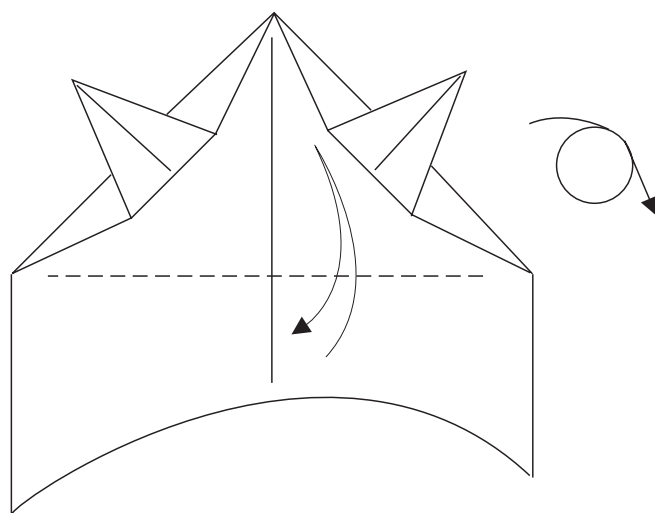

9-10

11.

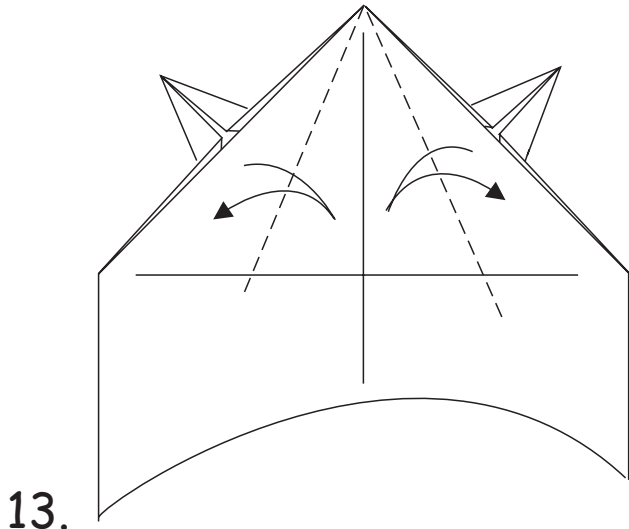

Repeat 9-10 on the left corner

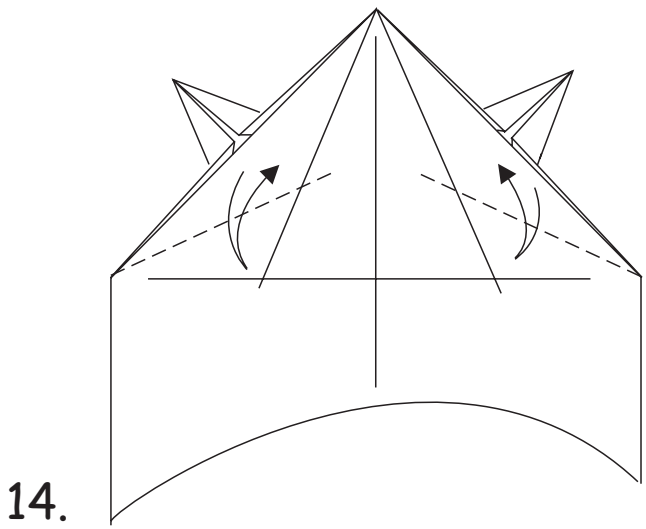

12.

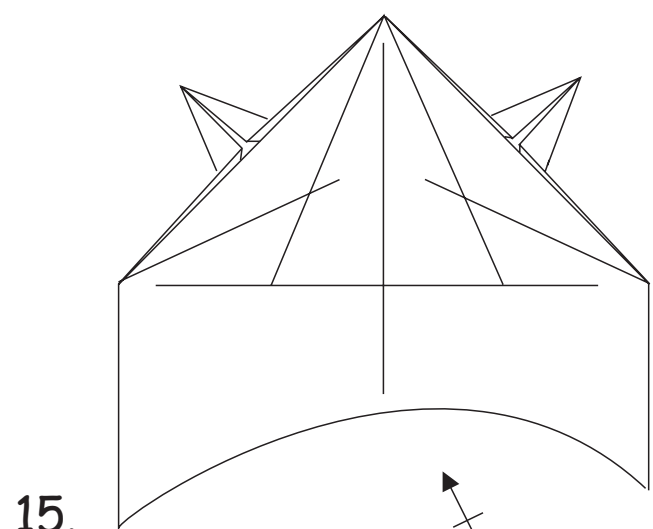

Precrease.  
Turn the model

13.

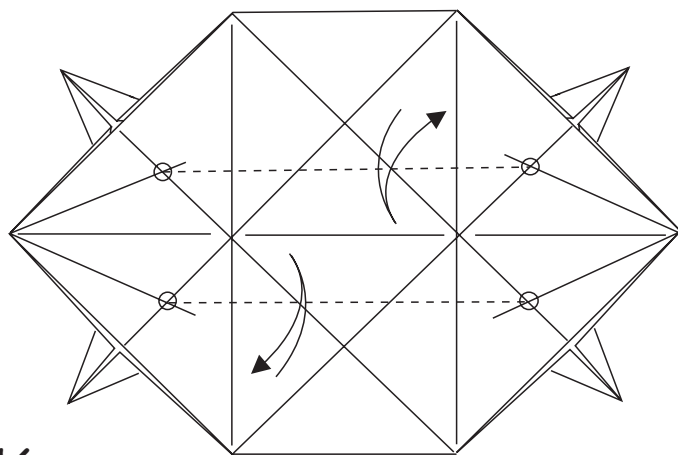

14.

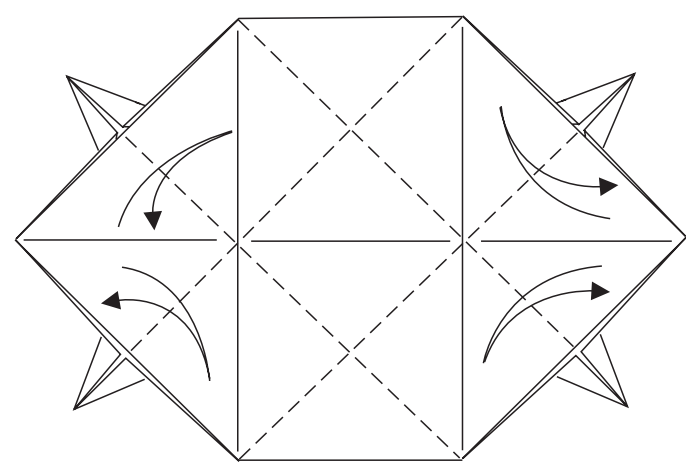

15.

Let's make the playing table.  
Move the players towards each other, simultaneously pull upwards the hidden paper

35.

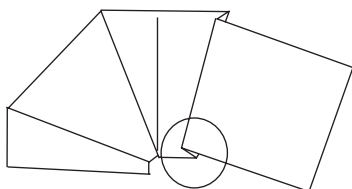

36.

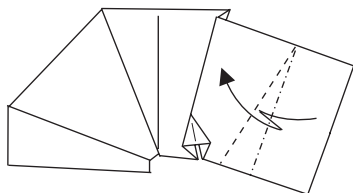

Thinner right hand  
of each player

40.

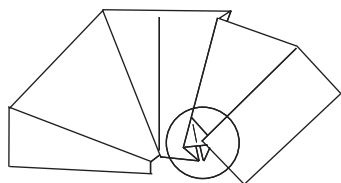

Look on the marked  
corner

43.

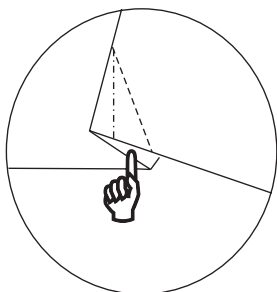

Last crimp-fold

44.

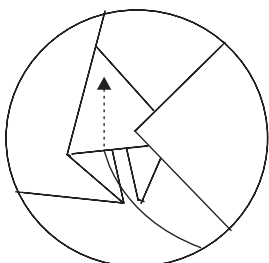

Return to the flap  
made in step 41

41.

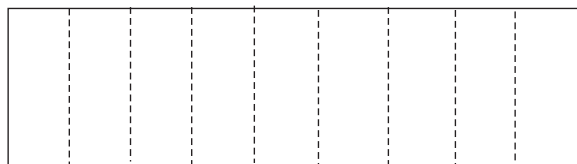

Squash fold...

45.

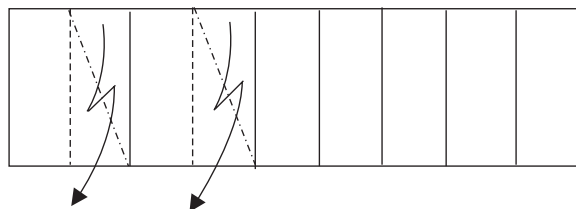

Pull in this flap  
the right hand of  
player. Repeat  
37-45 once more.

37.

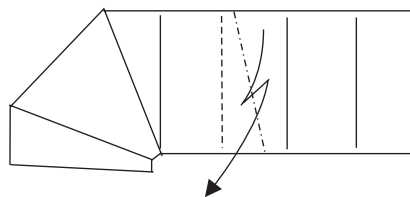

Let's design the cards.  
Take the short strip for this aim

38.

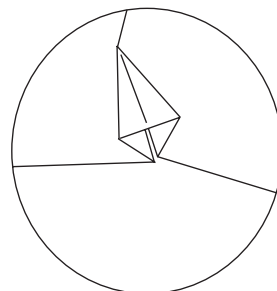

Two crimp-folds

39.

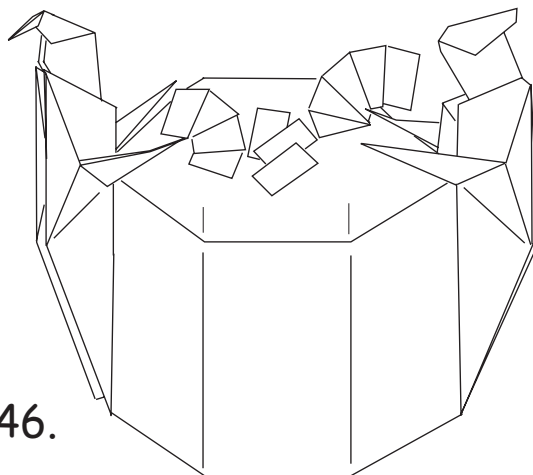

One more crimp

42.

...Like this.

46.

The completed players.  
Really they are much chance  
men if playing being standing.
